The allergy data detailed in this table have been derived from specifications obtained from the suppliers of the products. All reasonable steps have been taken to ensure the information is accurate. However, there is no guarantee any product is 100% free from any allergen due to the risk of cross contamination, risk in production, supply and preparation, or if any ingredient has been substituted by suppliers or the use of any alternative supplier after the date of the information below.

If you have a food allergy please talk to the manager on duty who will take every precaution possible with your order.
